

Elekta Asia Pacific Unity User Collaborative

When:

Thursday Oct 6, 2022
6pm Sydney
4pm Seoul/Tokyo
3pm Singapore
2pm Bangkok

Register today

Dear Unity user,

We are pleased to invite you to the next virtual Unity user meeting, where you can:

- hear updates on the progress of your fellow Asia Pacific Unity users
- contribute and share Unity ideas and work you have been developing
- get an update on Unity product development and enhancements
- network with other Unity users from the Asia Pacific region

Please see the provisional program below. If you wish to contribute content for this program, it may not be too late - please let us know.

Register now to secure your virtual seat and plan to join us and your peers at this event.

We look forward to seeing you virtually soon!

Your Elekta Team
